# MISSION OF THE COLORADO DOMINICAN VOCATION FOUNDATION

**W**e believe that artists are inspired by the divine and that they have a special vocation to bring beauty into the world and thereby promote the good. Through the beauty of art, the Colorado Dominican Vocation Foundation (CDVF), a non-profit 501(c)(3) organization promotes interfaith dialogue and the vocations of the Dominican Order & the living artist. The CDVF accomplishes this mission by hosting community arts-related events that educate the public about art through seminars, lectures, salons, exhibitions and plein air events.

The Celebration is a fund-raising event for the Foundation whose primary mission is to provide spiritual and financial support to the men in Denver studying to become Dominican friars. Dominican novices (1<sup>st</sup> year students) minister to the poor, the sick, the homeless and the elderly by volunteering every week at facilities such as Hospice of St. John, Samaritan House, and Mullen Home. ✝
